Do not upload my projects to online manga readers.
My projects must remain free of profits.

SFX : Shaking

This ... is proving a lot harder today...

Considering what we did last night...

What am I gonna say to him now ?

Oh, fine. I will take care of the sleeper by myself. Don't drink too much.

SFX

Huh ?

What are you doing here?

Well..., I was going to press the button and then ... I realized ... this pose is quite comforting so... Um, is your uncle going somewhere? How is he doing?

We had ..... a homework to do? I went to bed right after I came back from the roof .. The physics (Ass) is 5th class, .. right? Can I see yours to copy?

I figured as much.

Actually, I remember now. I just didn't have time to do it...

Ok, I will show you mine during the lunch time.

Is he really not feeling awkward ?

Hey? What are you doing? It's lunch time...

Whoa?? Already??

What's with you today? You've been spacing out all day.

Well, something happened, so ...

Yeah? What happened?

So? What happe-

It's lunch time ???

Hey, are you blatantly ignoring me now ??

So-Hui~

Come on. Let's eat.

... Ok.

Welcome. First time eating with you.

Yeah...

And Ge-Ul, you've never been formally introduced to her, right?

Nice to meet you. I am Ge-Ul.
